

Program Categories

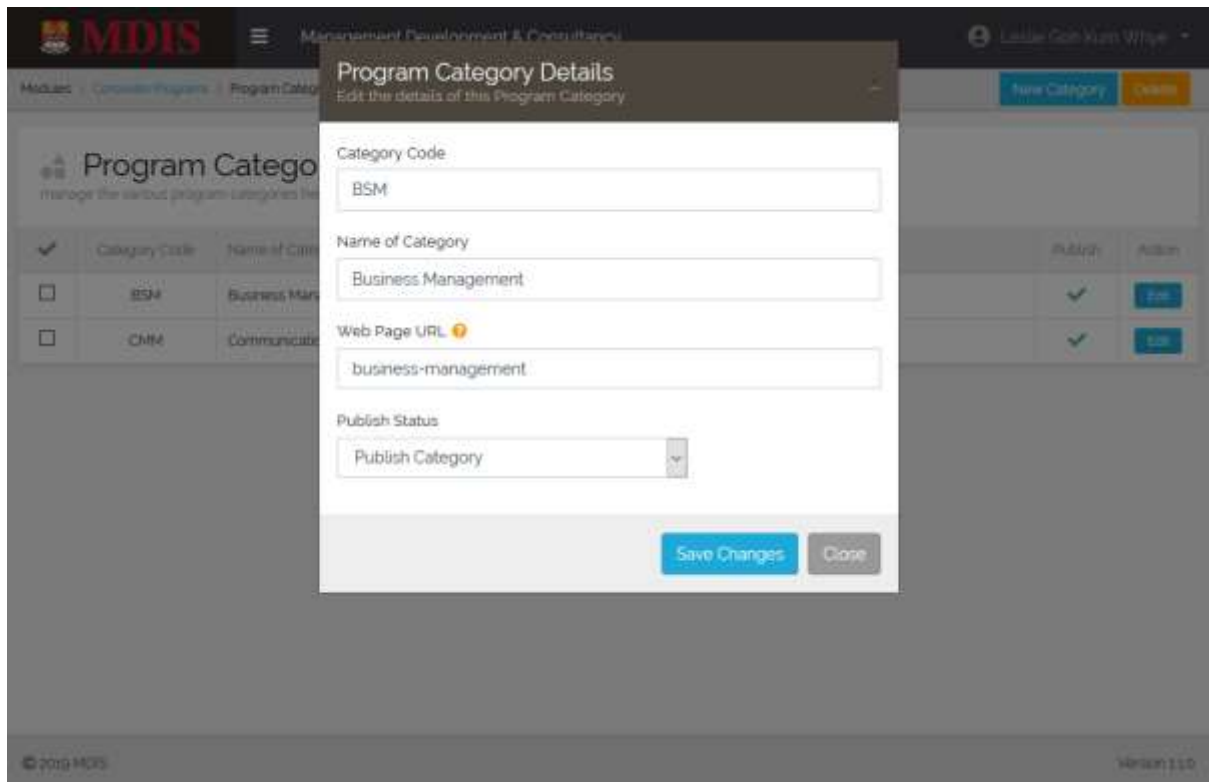

Program Categories are managed under this tab. To manage the different categories, navigate to *MODULES > CORPORATE PROGRAMS > PROGRAM CATEGORIES*

Click on **NEW CATEGORY** to bring up a modal where you can key in information on a new program category

✓	Category Code	Name of Category	Page URL	Publish	Action
<input type="checkbox"/>	BSM	Business Management	business-management	✓	Edit
<input type="checkbox"/>	CMM	Communication - Spoken		✓	Edit

Clicking on the **EDIT** button brings up the same modal with information on the respective Category

© 2019 MDIS Version 1.1.0

Category Code	A unique code given to each Program Category
Name of Category	The name of this Category
Web Page URL	The URL of the web page that has content on this Category. Please refer to the Site Directory to get the correct Page URL
Publish Status	Sets whether this Category will be displayed when a new Course is created
